

## TECHNOLOGY STUDENT ASSOCIATION PLAN OF WORK

Date	Task	Time involved	Team member responsible	Comments
10/12/16 1	We started the website and researched the topics	1 hour and 30 minutes	Group Member A Group Member B	When we got into the project, we found that the topic was very interesting
10/21/16 2	We took our current research and compiled it on the site	1 hour and 45 minutes	Group Member A Group Member B Group Member C	We used Weebly.com to make the site and it was easy to do after we had compiled our research
10/25/16 3	We researched a bit then compiled a bit	1 hour and 0 minutes	Group Member A Group Member B	We focused down and got a lot done in the short time
10/30/16 4	Tied off loose ends we left and completed the site	1 hour and 20 minutes	Group Member A Group Member B Group Member C	Its easy once you have everything down
